performed by leading Canadian and international artists!

Donations to Endowment Funds are gifts that last forever...

If you want to know that your donation will continue to support The Vancouver Summer Festival Society (MusicFest Vancouver) in perpetuity, please consider a charitable gift to one of our endowment funds:

The Alvin S. Nemetz Festival Vancouver Endowment Fund—created by Mrs. Sheila Nemetz and family in memory of her husband Dr. Alvin S. Nemetz., who was The Vancouver Summer Festival Society's first donor.

The Stephen Drance Festival Endowment Fund—created with a gift from Dr. Donald Rix, Director and Past President, to honour Dr. Drance, visionary and Founding President of The Vancouver Summer Festival Society. Dr. Rix's hope is that his gift will inspire others to make a donation, adding their names to the other dedicated donors and supporters of MusicFest Vancouver, formerly Festival Vancouver.

Thank you to ...

Ms. Martha Lou Henley who has recently joined this esteemed group!

Your donation may have double or even triple the impact if received this year. It's the perfect time to make a contribution toward our endowment funds, as your gift may be matched by the **BC Arts Renaissance Endowment Fund Matching Program and The Canadian Arts and Heritage Sustainability Program Endowment Incentives Component.**

What MusicFest Vancouver can do for you!

- You get to leave your day-to-day concerns behind as you take a musical journey to parts unknown, forgotten, and remembered.
- You have the opportunity to enjoy live music in your own city and province that otherwise you would have to travel far and wide to hear.
- Your awareness of local performers is enhanced. (It's our pleasure to provide a venue for British Columbian musicians to highlight their superb talent.)
- You hear extraordinary music performed by some of the best artists in the world.
- You may enjoy the perks and benefits that you're entitled to under your donor level.
- You may actively support and participate in MusicFest Vancouver—full voting rights are included with your donation benefits starting at \$50 and/or with your Gold Membership benefits.

You can help support the MusicFest Vancouver experience by attending concerts and by making a donation. *(As is the case in most of the arts, the actual costs cannot be covered by the ticket price alone.)*

Do you know we work diligently year-round? That's what it takes to plan extraordinary concerts and to produce a music festival that ranks among the best in the world.

At your request, your donation may be applied toward our annual campaign, an endowment fund, or toward a specific series or concert.
